

Home Fire Preparedness Campaign
Reducing fire deaths one home at a time

At no cost to you, we would like to share some simple steps you can take at home that will help you protect your family against fire. In addition, the Red Cross will install FREE smoke alarms within your home. Visits generally last 20 minutes and can be scheduled at your convenience.

During your home visit, you will receive:

- Installed smoke alarms if needed
- Guidance in the development of a Family Disaster Plan
- Valuable emergency preparedness tips and information
