Improve for Leaders:

If a Soldier is recommended for the CSM/1SG BQL, he/she should have CSM/1SG future positions noted on the NCOER

Honest assessments on DA 4187s for CSM/1SG BQL to include not recommended for consideration. Be consistent with NCOERs and 4187s.

Successive assignment should indicate First Sergeant as the first option (1SG BQL only)

Improve for Soldiers:

Submit Letters to the President of the Board to explain deficiencies in record

Soldiers need to validate their ERBs annually

Confirm your ACFT and HT/WT is current and up to date in DTMS

Confirm your most recent NCOER is submitted prior to the board

Volunteer to be a voting board member for next fiscal year
