

**MILITARY POLICE (MP/31)  
OFFICER CAREER DEVELOPMENT MODEL**

MP Corps officers contribute to operational success by leading military police in missions supporting unified land operations including offense, defense, stability and civil support operations. These missions span across the range of military operations from stable peace to major decisive action consisting of lethal or nonlethal engagement against the wide range of threats. The MP Corps has four unique critical competencies: Soldiering, Policing, Investigations and Corrections. Rhode Island currently holds MP Officer positions from O1- O6 from the detachment through BDE command levels.
