WHO: Kasim J. Yarn, RI Director of Veterans Affairs

WHAT: A "Town Hall Meeting" for our veterans & the new R.I. Director of Veterans Affairs

WHERE: Glocester Senior Center
1210 Putnam Pike, Chepachet

WHEN: September 22, 2016
5:30 p.m. to 7:00 p.m.

WHY: From Director Yarn: "RI Veterans Affairs commitment to serving veterans and their families must be unwavering. Veterans and their families must know that the state of Rhode Island is always truly indebted to our veterans for their service and sacrifice. In order for the Office to be success, we must first define the problem, strengthen our partnerships locally, regionally and statewide. We must have an active presence in all 39 municipalities.
As a result, over the next 39 weeks, I have launched the veteran affairs "I hear you" outreach plan. Within the 39 weeks I will sit down and visit every municipality in the state."
