

EUREKA: THE INVENTORS WEEK!

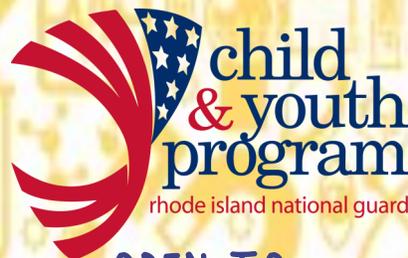

MONDAY, APRIL 18-THURSDAY, APRIL 21, 2016

8:15AM-12:15PM

EAST GREENWICH, RHODE ISLAND

In this 4-day program, military youth will overcome a series of challenges using basic materials, simple machines, tips from famous inventors, and, most important of all, their minds! With a little bit of ingenuity, youth will create catapults and forts, construct working light sticks to take home, and more.

WHILE EDISON SAID THAT "INVENTION IS 10% INSPIRATION AND 90% PERSPIRATION,"
THIS PROGRAM IS 100% FUN!

OPEN TO:

Military youth, ages 6 to 12

Spaces are limited and first open to Army National Guard Dependents.
On March 21, remaining spaces will be open to dependents of all branches.
